USING A FUNDRAISING COACH

The team is assigned a Fundraising U Coach that leads the whole process.

CREATE A COMPETITION

We hype up and motivate the team to support each other and outperform each other.

SELL TOP-TIER PRODUCTS

choose from our list of high-performing products that people actually want to buy.

UNBEATABLE PRIZES

The athletes will get cash, gift cards, and other motivation prizes for achieving their goals.

DELIVERY AND LOGISTICS

we handle all ordering, shipping, packaging, and even delivery so that the coach doesn't have to.

WHO WE ARE

Fundraising University is a team of former athletes and coaches who know the pain points that come with funding sports programs. We launched in 2009 and have raised over \$200 million for teams across America.

FUNDRAISING UNIVERSITY
CELEBRATING 15 YEARS IN SCHOOLS

We do this to see the athletes succeed. As former athletes and coaches, we know what it's like not to have enough funds to succeed. Whether it be not having the right equipment or not having enough for that special out-of-town tournament, we know how to get the program to its goals. Our mission is to see the program succeed so it can reach greater heights than ever thought possible.
